

LIVESTOCK 14

CLASS: Herbivore Feed

REG. NO. ACT 36/1947: V31634

A protein and mineral supplement suitable for cattle, sheep and goats on dry pasture, crop residues or pastures. It stimulates dry matter intake, limits weight loss of animals and improves conception rates.

COMPOSITION

NUTRIENT	MIN/MAX	QUANTITY	UNIT
Protein	Min	140	g/kg
Protein Ex NPN	Max	30	%
Urea	Max	10	g/kg
Moisture	Max	120	g/kg
Fibre	Max	200	g/kg
Fat	Min/Max	25/75	g/kg
Calcium	Min/Max	10/12	g/kg
Phosphorus	Min	2	g/kg

INGREDIENT STATEMENT:

This animal feed contains: Grain and grain by-products, animal protein products, plant protein products, roughages and agro-industrial by-products, sugar cane by-products, oils and fats, amino acids, vitamins and minerals, antioxidants, binders, acidity regulators, flavouring agents, aroma enhancing agents, compounds of trace elements, digestibility enhancers and gut flora stabilizers. This product contains genetically modified ingredients.

NOTE:

This farm feed is available with or without registered stock remedies. See bag tag for details and feed strictly according to given instructions below.

UREA CAUTION:

This farm feed contains feed grade UREA and/or other NPN sources and must therefore be fed strictly according to the instructions for use.

NPN WARNING:

1. Vinegar is an effective remedy against NPN poisoning. Mix with an equal amount of water. Dose half a bottle per calf or large sheep or 2 – 4 bottles per head of cattle. (1 bottle = 750ml).
2. Protect this farm feed against rain. NPN is soluble and animals drinking such a solution could be poisoned.
3. Do not feed this farm feed indiscriminately with other NPN containing farm feed. Consult an animal scientist.
4. Adaption: When changing from a NPN-free meal to a NPN-containing meal it is advisable to feed a 50/50 mixture over a period of 4 – 6 days.

FEEDING RECOMMENDATIONS:

Sheep: 300 – 500 g per head per day. Feed along with roughage/pastures ad lib.
Cattle: 1 100 – 2 000 g per head per day. Feed along with roughage/pastures ad lib.

For more detailed feeding recommendations contact an Epol Technical Advisor.
