Phosphorus	Min	5	g/kg

INGREDIENT STATEMENT:

This animal feed contains: Grain and grain by-products, animal protein products, plant protein products, roughages and agro-industrial by-products, sugar cane by-products, oils and fats, amino acids, vitamins and minerals, antioxidants, binders, acidity regulators, flavouring agents, aroma enhancing agents, compounds of trace elements, digestibility enhancers and gut flora stabilizers. This product contains genetically modified ingredients.

NOTE:

This farm feed is available with or without registered stock remedies. See bag tag for details and feed strictly according to given instructions below.

FEEDING RECOMMENDATIONS:

Feed with roughage or grazing, quantities depending on:

1. Quality and availability of grazing and/or roughage;
2. Stage of lactation
3. Milk and butterfat production

General recommendation 500 gram/litre milk.

For more detailed feeding recommendations contact an Epol Technical Advisor.
